Recap from November-

The meeting at Michelle and Davids was great. The talk about what was learned at the Dog Trainers Convention went on for a long time. From that it was decided we will dog more talks in the future. Maybe special meetings for foster homes and those that foster so many things can just be talked about.

Bootie Brigade- The final count that was mailed was 1060 booties. Thanks to all that participated. It was great fun. As soon as I hear who the booties will be sent to I will forward to the list.

Vaccine Clinic. As usual, it was fun and we saw a number of dogs from previous years. Overall we netted \$400. A big thanks to Dr. Rusher for that since she donated many of the shots.

Holiday of Lights Parade Los Altos

The few of us that attended had a great time. More had signed up but last minute things kept them from coming. It was the best weather we have ever had. They started an hour earlier which meant we were lining up in the light....what a novel idea.

Greg and Marie were there with 4 of their dogs – Rockett, Ralfee, Jodee and Frankee along with their always well decorated cart. David came with Chevy and Michelle’s tricycle. It looked great going down the street. I brought the wagon all decorated for others and since they didn’t come, I got Ralfee to help me pull it.

As always there were many in the crowd that yelled “MUSH” and kids just screaming about seeing the dogs. Always nice comments from the spectators.

Greg and Marie are retiring from “running” this event. We would like to thank them for all that they have done over the past 8 or 9 years that we have been doing it.

We will post when we receive the application next year to find someone that would like to head up the event in future years.

SNOBASH I

January 30-31

We will again be staying at the Tamarack Pines Inn. If you would like to reserve a room, contact Randee at BASH@com-ctl.com or 408-377-2900. NO DOGS ARE ALLOWED IN THE ROOM AT THE LODGE. Cost of rooms are from \$250-\$400 for two nights. For those that want to join us there are great places in Angels Camp, Arnold, Dorrington and Bear Valley. Some will allow dogs in the room, and some do not. Those of us at the Pines leave our dogs in the car. We had a great time at the Inn last year. Very relaxing. All those that attend will be expected to bring “group” food (breakfast, appetizers and drinks). Anyone is welcome to the group dinner. We just need to know if you are planning on attending Saturday night so we have enough. When all have signed up we will have a list of items to bring. By having everyone bring parts we can spread out what is needed to be brought up. We will have a group dinner on Saturday night. BASH will supply the paper products. SnoBASH is held no matter the amount of snow.

We do sled rides for people and dogs. The proceeds go to the local elementary school.

Sign up to come. We have a fantastic time.

Bill Otto 408-258-9806 billotto1412@aol.com

Wiley is from the shelter. he was a stray so there is no background info on him. He is a nice boy that rides well in the car. He walks ok on a leash but needs training. He is playful. As we learn more we will update the file.

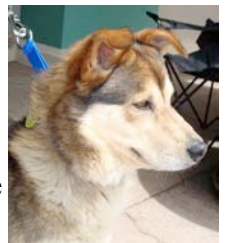

Jessica Politiz 510-793-8508 jessicapolitz@gmail.com

Mika was rescued (along with her sister, Sasha) from Berkeley by Norsled and we are fostering her for Norsled. She walks well on a leash, is very curious about the world (she was raised in a backyard the entire 4 years of her doggy life), and is very playful with both people and other dogs. She is a sweet dog that needs to lose a little weight. She is friendly and rides well in the car. She is partially housetrained. Mika needs a strong new family to help her become the great dog that she has all the potential to be: This includes the ability to provide training, leadership, and lots of love. We recommend that she go to a home with another dog to play with and keep her company. She was surrendered with her sister, who is also available if a family was looking for a pair of dogs. She also loves to dog sled. We have taken her carting, running, and she did great at pulling a bicycle.

Randy Fishel- randyf@sibenet.com

Jordon is a sweet true alaskan husky. Everyone who has met him and played with him says that he is very sweet, but has high energy. He is only 37#s. We think is mixed with a spitz type breed...what ever he is cute. He wants to play with all. So far he has gotten along with every dog we have introduced him to but seems to do better with girls than boys. You can handle him all over (tail, legs, mouth) and he takes it. He can be possessive of toys, but a strong owner will do fine with him. He is not noisy but really wants to please. We think he would be great for an active family. He will be ok as an only dog. He is not a chewer so we believe he will be good in the house

Maureen Marcus 510-895-9104, spiritofashadow@aol.com Malamute Rescue

Kodiak is a young dog that has some training but needs more. Knows sit and down. He LOVES to play with a tug toy and loves to play tag with another dog. He rides ok in the car and enjoyed the ride. He is learning quickly how to walk on a leash and after 5 days in the foster home is settling in to the house. He is ok with kids but we would recommend older kids because of his size and energy.
