BASH Holiday Party.

For those that were able to attend, it was FANTASTIC. We were at 3 Flames in their banquet room. Had plenty of space for all. We were able to talk, catch-up with people and more. We did a raffle only (quilts, prints, pillows, a giant dog bed Christmas tree, shirts, sweatshirts and more) We were sure how many could come so we decided a raffle was easier. We also did the ANNUAL WHITE ELEPHANT gift exchange. As usual, one person was stolen from at least 6 times, 5 items ended up frozen as they were stolen so much)

7 Ways to Make the Holidays Safer for Pets

Nothing can spoil holiday cheer like an emergency visit to a veterinary clinic. These seven tips can help prevent a holiday disaster with your pets.

1. Keep people food out of the reach of your pet, and ask your guests to do the same.
2. Make sure your pet doesn't have any access to treats, especially those containing chocolate, xylitol, grapes/raisins, onions or other toxic foods.
3. Don't leave your pet alone in the room with lit candles, a decorated tree or potpourri.
4. Keep holiday plants (especially holly, mistletoe and lillies) out of reach of pets.
5. Consider leaving the tinsel off your tree if you have a cat.
6. Secure your Christmas tree to keep it from falling over if your dog bumps it or your cat climbs it. Hanging lemon-scented car air fresheners in the tree may deter your cat from climbing it.
7. Provide a safe place for your pet to escape the excitement (such as a kennel, crate, perching place, scratching post shelf or hiding place) if you're entertaining guests. If your pet is excitable or scared, consider putting your pet in another room with some toys and a comfortable bed

Applesauce and Oatmeal Base Recipe for Cut-out Cookies

This is the base recipe for perfect cut-out cookies. You can combine this recipe with the red and green cookie doughs below for dazzling cookie creations, or just use natural food coloring to create any color cookies you like.

- **Author:** Kiki Kane
- **Prep Time:** 10 minutes
- **Cook Time:** 20 minutes
- **Total Time:** 30 minutes
- **Yield:** 1 tray 1x

Scale

Ingredients

- 2 cups whole wheat flour (you can substitute with regular flour for a whiter dough)
- 2 cups rolled oat flour
- 2 eggs
- 2 tbs melted coconut oil
- 1 cup unsweetened applesauce
- 1 Tbsp Vanilla extract

Instructions

Preheat oven to 350°

Combine all ingredients in food processor or stand mixer. Add flour as necessary until dough is no longer sticky and is ready to roll out.

For different colored dough, divide into separate bowls and add natural food coloring.

Keep dough covered to prevent drying between batches. You can rehydrate dough with a little coconut oil as needed.

This dough refrigerates up to a week, and freezes for 3 months.

Roo Roo Becky! Are you a Disney fan? I am your cartoon character. I am a timid, very affectionate, young female who has been in foster care getting more confident and waiting a long time for that perfect home. I am a petite 45#, ~19 m old, doll of a pup waiting for that right forever home.

I respond to LeeLoo but my foster family often calls me Roo Roo and Roo Roo Becky and I come running straight to them 😊. I am scared of new dogs and new people, but give me 20 minutes and I warm right up. I enjoy walks SO much and playing with other large dogs I know. I adore my elementary aged foster human brothers and often snuggle up while they are playing games. I also adore sleeping on the bed when I can 🤗🤗

I am fully crate trained and would do well in a situation where I am with my humans or crated when they are out. I like playing with my foster home's resident huskies a lot and consider them my little pack now. I would need a very secure fence or no fence at all (City/condo) as I can climb. I look forward SO MUCH to meeting you! Please come meet me!

Raider is a 2 year old happy dog who loves giving lots of kisses and is highly intelligent unfortunately nobody took the time to train him. However, in his foster home with love and stability he has started to blossom and shine and now he knows basic commands like Sit, come, Go (will go anywhere) and has good manners when it comes to eating meals and he even sit and waits for the bowl to be put down!

Such a good boy!

He plays well with a social dog of similar size and is still learning a lot on leash walking.

He loves hanging out and chilling with his foster dad but he is always down for a game of chase or doing zoomies. He looks like a big puppy when he plays! Such an adorable boy!!.
