BASH Christmas Party 2

Rescue 5

Annual BASH Holiday Party

For those that attended, it was great fun. I had not been to one at a house since before 1995 that I remember (I joined in 1992 and remember one or two parties at a home before we started having it at community centers etc) We had 28 adults and 3 kids. A few at the last minute were not able to come. Kim Flores did a fantastic job of organizing and getting the food. We couldn't find a caterer so decided we would buy the holiday package from Whole Foods...well that didn't work when we found we could order food in December but couldn't pick it up before Dec 17 (a little late) Plan B was we cook the Turkeys and buy the rest at Costco. Fortunately two non BASH people (my sister Loree and a friend Joy) kindly offered to cook/carve them and bring to the party. A group came to my house on Saturday night and helped move around and in tables and chairs. We set up the raffle and silent auction in the

garage and were ready to go. A little learning experience in heating up the food but all came together by 6:30 and the feast was eaten.

We started with our regular meeting that lasted all of 15 minutes (had to have one) and after that we were ready to talk and have fun.

The raffle had about 50 items set out in it. Mostly Siberian but a few other things. We had 3 quilts and a wool blanket in the auction. Overall the auction and raffle brought in

about \$600.

We had a special gift bag for all the kids that attended. A Husky Pillow, Quilt, coloring book, crayons, and ornaments for their trees.

Gift stealing was as great as ever. Anthony had two helpers to help pull names (Elydia and Emmie) We did the usual stealing from those that want to hide what they got, a few bottles of alcohol were stolens as was a set of mixing bowls, a dog advent calendar, headlamps, and more. All had great fun.

Meet **Ray**! a handsome 58lb male husky that loves to play with dogs and be with people! He is so sweet and affectionate, playful and has a big personality, and is able to stay home loose in the house with his husky brother and sister. He loves going on walks but is also perfectly fine with lounging with you on the couch! He learns his manners very well from older dogs and loves to play with any dog that is willing to play! He has a very easy-going attitude towards dogs! He is happy to just lounge around in the house with you chilling on the couch or go on an adventure! He is just a happy and sweet boy that has so much love joy to give!

Introducing Miss Shelly the Husky ! **Shelly** is the most lovable of all fluff-ness and gives the sweetest of tiny kisses. She jumps with delight for walks on cool summer evenings and loves the wind in her face on car rides around town. Miss Shelly is a lady of few words, but will voice her passions when something stirs her soul. Shelly will appreciate your patience in allowing her time to gain your trust, but once it's been earned then she be your most devoted companion and will share her heart openly. Shelly arrived to our foster home in late March, 2022. It takes a bit of time for Shelly to ease her anxiety & feel comfortable with new sights, sounds & friends but as each day passes she becomes more confident in new environments and her new mobility has opened up a whole new world of playful fun.

Good evening! My name is Professor Brownie and I am here to love you, snuggle and help you with anything you need. I love tiny humans, big humans, dogs and will help you play a game of fetch all day. My studious and mellow nature are perfect for a townhome or home with no yard. I am a young "Red" Siberian Husky gentleman of about 12-15 months old. I'm am smart, attentive and did I mention dashing? I dash to the door to meet you. I dash over the fence to greet you. I will scale any mountain to see you. Yes, I suppose that means a dog savvy home with the same philosophy as mine; husky proofing. I cannot wait to meet my best life in your forever home. We will be pals- I just know it. After all I'm the Professor Brownie. Kisses! I good on leash, house and crate trained. I cannot be left in a yard unattended without a kennel.

Happy Dog Days of summer! My name is Mina and I am a very happy, playful, 12 month old Siberian Husky girl. I can't wait to meet my active, large dog experienced, furever family 🥰 I love to play play play! I like other playful dogs like me who also like to play chase me! I love to play fetch and I just discovered water is pretty awesome; more beach time for my humans and me! I am very young so anything and everything is a toy for me, but I'm so polite when I steal Godzilla 🤪. I am crate trained and house trained but used to coming in and out through the day right now. I am wonderful with elementary aged children and up but may still be too hoppy for young children. I am learning better leash training and to settle in the car, but am eager to learn and love with you!
