BASH Holiday Party	2
RESCUE	4

Our Annual Christmas Party was fantastic. We had about 25 people attend. The raffle was small but great. Pictures of the silent auction items are also here. We did our usual White Elephant Gift stealing and had a great time....thank you to all that came....

Merry Christmas everyone

Next BASH meeting will be at Bob Reuss' home in February. Date will be announced next month.  
December Rescue

We are working on idea for places to have fun meetings such as a local brewery or wine tasting or just a place to have lunch as a group with our dogs. Have a great place to do a hike with your dog...let us know and we will pass it on.

Meet Ellie!!! This 5 year old cutie gives the sweetest of kisses and is the sweetest of all fluff. When it's cool outside, she loves walking on cool summer evenings and she loves the wind in her face on car rides. Ellie is lady of few words, but she speaks her mind when something stirs her soul. You'll need to be patient with Shelly until she finally gains your trust, but once she does, she'll be your most devoted companion and will open up to you. She loves to stay by your side no matter where you are and always stays close to watch over you while you sleep. A torn ligament in her right back leg caused her severe anxiety in the Animal shelter, so we decided to pull her and thanks to the staff at MedVet they were able to perform TPLO surgery so quickly. She's made great progress since then and has learned how to walk, love, & trust again since her surgery. A little time is needed for her to warm up and feel comfortable The new sights, sounds, & friends make her feel more confident in new environments, and her new mobility means she can explore a whole new world of fun. If you are looking for a mellow, affectionate and loyal companion. Ellie is your girl!

Dior is a sweet, playful puppy who is curious about the world. She is friendly with people and loves pets and cuddles. She also enjoys playing with balls and toys. Dior can be a little shy to warm up to other dogs but once the introductions are done she's ready to interact and initiate play. She is crate trained.

Inna is a very sweet, affectionate well socialized 6 month old pup. She is friendly with other dogs she meets and lives with 2 mellow indoor cats. Inna is a head turner, with a pretty tri- color, light gray wolf color, and snow white underside and those husky blue eyes! She is at the perfect puppy age, cute and playful, eager to learn and already sleeps through the night and past the teething phase! She would love to be matched with an outdoor lover like herself to go on hikes, runs and long walks with. Inna has been loved and raised by one family since she was 9 weeks old, sharing her time between her dog mom's suburban apartment and her dog grandmother's ranch. She is equally comfortable with puppy pads on the patio and leash walks in city parks and streets and ranch life with a fenced pasture, a rugged digging area, a giant lawn and trail walks. She frequently visits and plays with children, but needs supervision.

Inna is spayed and has all her shots. She is leash trained, has attended fundamental puppy training class and knows basic commands but needs more work, is crate trained and “ potty” trained.

Available to her new owner are all her toys, kennel, bed, gear, and a Fi collar.

Her dog mama is dealing with medical issues that now prevent her from giving Inna the home she deserves and grandma can't keep up. She is being placed because the owner has health issues that keeps her from being able to care for the dog.

BASH is getting two 10 weeks old Red/white sib puppies from Monterey..... watch the website for pictures and more information.
