# SnoBASH 2008 – January 26<sup>th</sup> and 27<sup>th</sup>

We will be holding SnoBASH between Tamarack Lodge and Tamarack Pines. As of now, we will do rides on Saturday, with a Sourdough Race on Sunday. For those that want a longer trail, you can purchase a SnoPark Pass and run your dogs at Spicer Lake, just up the road. We will have plenty to do. It is a great day of sled rides with your family and your Siberians. Come join us. This is our 11<sup>th</sup> year at the Tamarack

All of the rooms at the Pines are already reserved. There are hotels in Arnold, Dorrington and Angels Camp that allow dogs in the rooms. You can also rent a house in the Arnold area.

You can also stay in Bear Vally in the Condo's. You will probably have to leave the dogs in the car though.

It is a fun day and we will be raising money for the local school with our sled rides.

Please come and join us for a day of great fun.

# The Sourdough Race

We have made this an annual event at SnoBASH. So you ask what it is.....

We have both an adult and a kid race.

The adults start the race in their long johns (this is fun to be VERY creative) in a sleeping bag with their boots off.

When the starter yells “ There is GOLD in them thar hills”, the racers jump out of their sleeping bags, put on their boots, put their sleeping bag in their sled and harness up to 3 dogs (for those that want to try this there are usually dogs to borrow and a sled).

Once you are all harnessed and hooked up, off you go.

The Kids race is the same only they go a shorter distance with one or two dogs and don't have to harness.

This is a race for anyone that would like some fun excitement.

## Serving the Bay Area & Northern California

Descriptions of the dogs listed in this newsletter, including evaluations of their temperaments, are furnished by the people placing them. We are providing an exchange of information only and we do not attempt to verify the information given.

Macio Simpson [bashrr@aol.com](mailto:bashrr@aol.com)

**Sasha** is a very active dog that LOVES to play fetch! She needs a lot of leash training. She was injured on her neck from a rotten rope (tied and probably wet for a while) and is healing well. She is a wonderful, SWEET and playful dog. Because of the sensitivity of her neck, a family with young kids would probably not be good.

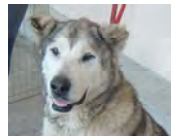

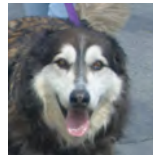

Randee McQueen (408)371-1841 [BASHRR@aol.com](mailto:BASHRR@aol.com)

Leyla-14 month old Sib/GSD and mother of 6 puppies. The puppies will be available for adoption around the first of February.

## ADOPTED

Blue Roxie Eric Luna Summitt Gretchin

In 2007 we adopted 80 dogs..... some young and some old but all to great new homes. Thank you for all that adopted and thank you to all that have supported rescue in any way.
