## SANTA PAWS pictures

A VERY BIG thank you to all that Helped and volunteered. BASH did it for 5 days with the help of MUSH at Campbell and Milpitas Petsmart. We did at least 150 pictures (at \$5 each) and made about \$500 charging to get their picture of the web site. In February we will receive a check and gift card from donations made to the store. Thank you everyone.

# Annual BASH Holiday Party

There were 50 members that attended and as usual we had a great time. The food was fantastic. The game of stealing was also entertaining as usual. Big items this year for stealing was anything SJ sharks, Norsled Calendar, a wonderful scarf and mittens, and others. Santa sent elves to help hand out presents to the few kids we had that were under 12. The silent auction and raffle were also a great success. There was heavy bidding on some pins from the Olympics, Marie's Xmas stockings, a stuffed husky, beer steins and more.

Thanks to all the joined us for the event.

# SNOBASH I

January 30-February 1

We will again be staying at the Tamarack Pines Inn. If you would like to reserve a room, contact Randee at [bashrr@aol.com](mailto:bashrr@aol.com) or 408-377-2900. The lodge is fully booked. For those that want to join us there are great places in Angels Camp, Arnold, Dorrington and Bear Valley. Some will allow dogs in the room, and some do not. Those of us at the Pines leave our dogs in the car. We had a great time at the Inn last year. Very relaxing. All those that attend will be expected to bring “group” food (breakfast, appetizers and drinks). Anyone is welcome to the group dinner. We just need to know if you are planning on attending Saturday night so we have enough. When all have signed up we will have a list of items to bring. By having everyone bring parts we can spread out what is needed to be brought up. We will have a group dinner on Saturday night. BASH will supply the paper products.

SnoBASH is held no matter the amount of snow.

We do sled rides for people and dogs. The proceeds go to the local elementary school.

Sign up to come. We have a fantastic time.

## **I rescued a human today.**

Her eyes met mine as she walked down the corridor peering apprehensively into the kennels. I felt her need instantly and knew I had to help her. I wagged my tail, not too exuberantly, so she wouldn't be afraid.

As she stopped at my kennel I blocked her view from a little accident I had in the back of my cage. I didn't want her to know that I hadn't been walked today. Sometimes the shelter keepers get too busy and I didn't want her to think poorly of them.

As she read my kennel card, I hoped that she wouldn't feel sad about my past. I only have the future to look forward to and want to make a difference in someone's life.

She got down on her knees and made little kissy sounds at me. I shoved my shoulder and side of my head up against the bars to comfort her. Gentle fingertips caressed my neck; she was desperate for companionship.

A tear fell down her cheek and I raised my paw to assure her that all would be well. Soon my kennel door opened and her smile was so bright that I instantly jumped into her arms. I would promise to keep her safe. I would promise to always be by her side would promise to do everything I could to see that radiant smile and sparkle in her eyes. I was so fortunate that she came down my corridor.

So many more are out there who haven't walked the corridors. So many more to be saved. At least I could save one.

**I rescued a human today.**

Tuni is Wonderful, loving, licker, kisser family dog. Loves children. Highly energetic. Need lots of exercise. Likes to play and fetch. Loves walks and likes the dog park. She is a bit aggressive with dogs when on leash. Gets along well with other dogs when off leash. Pulls lots on walks. Fully house trained and has excellent manners indoors. Somewhat destructive when left outdoors by herself. Needs lots of chew toys while outside. Her family is placing her because they have an older dog they got her to be a companion for, and the older dog would prefer to be an only dog.

Randee McQueen (408)371-1841 [BASHRR@aol.com](mailto:BASHRR@aol.com)

This is one of the sweetest siberians i have every met. He was born with underdeveloped eyes. He has limited vision, but it doesn't deter him once he knows the lay of the land. He loves to lay by your feet in addition to following me where i go in the house and lays at my feet while watching tv. he loves to go for walks. He just hangs around at my office also. BASH will continue to work with his new adopted family on his eye issues. The specialist that we have seen will talk with anyone interested in adopting him. If you would like a wonderful companion...please come and meet him.

Dutch is a great young siberian that wants to play. he loves to play with other dogs. He walks ok on a leash. He is housetrained and crate trained. He probably won't be good with cats. He lives with one at his foster home but they are kept away from the other dogs also. He is really good.

Rhodes( Timber) is the most amazing dog in the world. He is very mellow and calm when he is with his owner. He LOVES to play with other dogs and gets along with all dogs. Timber needs a yard with an adequate fence. He loves to be with other dogs for companion. When he's with people he's happy to just relax in a corner and spend the the day quietly enjoying his peoples company. He is living in San Francisco right now. He is left in the house with other dogs. There is no yard, so they are walked 3-5 times a day. When left in the house he is good when left with a food filled kong. He capable of being off leash. He would probably do best in a home without a yard and a person who wants to exercise with him. He was adopted from BASH 18 months ago. He came to BASH with a broken foot.
