# SNOBASH I

January 28, 29, 30

We will again be staying at the Tamarack Pines Inn. If you would like to reserve a room, contact Randee at [bash@com-ctl.com](mailto:bash@com-ctl.com) or 408-377-2900. No dogs are allowed in the lodge. The lodge has 7 rooms, most with kitchens. There is one room left that sleeps 2-4 people- cost for 2 nights is \$300. For those that want to join us there are great places in Angels Camp, Arnold, Dorrington and Bear Valley. Some will allow dogs in the room, and some do not. Those of us at the Pines leave our dogs in the car. We had a great time at the Inn last year. Very relaxing. All those that attend will be expected to bring "group" food (breakfast, appetizers and drinks). Anyone is welcome to the group dinner. We just need to know if you are planning on attending Saturday night so we have enough. When all have signed up we will have a list of items to bring. By having everyone bring parts we can spread out what is needed to be brought up. We will have a group dinner on Saturday night. BASH will supply the paper products.

SnoBASH is held no matter the amount of snow.

We do sled rides for people and dogs. The proceeds go to the local elementary school.

Sign up to come. We have a fantastic time.

## Christmas Party/Dinner

As usual, we had GREAT fun and a fantastic dinner. Santa wasn't able to attend but he did send his helpers, two Huskies that distributed gifts to the kids that attended. As usual, there were a few items that were stolen during the gift stealing – a Build a Husky, dog beds, a knitted scarf, hat, skark's hat and more. Also the silent auction got a little hot and furious near the end and people also received many great husky items in the raffle. Here are just a few of the pictures from the evening.

Descriptions of the dogs listed in this newsletter, including evaluations of their temperaments, are furnished by the people placing them. We are providing an exchange of information only and we do not attempt to verify the information given

**Thank you to all that have stepped up and fostered that one dog when we were short on homes. All the dogs we have saved this year appreciate it.**

Bill Otto 408-258-9806 [billotto1412@aol.com](mailto:billotto1412@aol.com)

Conan is a clown and loves to jump and play with everyone. He is very good on a leash. He is good with other dogs and horses. He has not been around cats Conan was debarked because he comes from a breeders home. It is common to debark dogs. The breeder became ill and all of the dogs were being re-homed. Conan was adopted by a family 2 years ago but the family lost their home and had to move to a place that did not allow dogs. He is a sweet dog that LOVES his crate to hang out in. He is on the shy side, but when he warms up he is a love.

Greta and Dennis H-Koehn [Koehns@comcast.net](mailto:Koehns@comcast.net)

Sascha was found as a stray in Morgan Hil. She's so sweet, very intelligent, curious, alert, thrives on interaction -- in fact, I think that she might be the kind of dog that you could teach to talk! But very active, howls at sirens, and large for the breed. Still going through the 'puppy to adult' phase, long legs, lean body and oversize paws with stong hints she will be a very elegant adult. She needs a family that can put energy and attention into this dog, she will be an amazing companion. She has also shown tolerance to a cat and walks well on a leash

MLise Avedian 831-970-2360 [brndy2133@yahoo.com](mailto:brndy2133@yahoo.com)

Sabrina is a sweet 2 year old siberian (could have some malamute) who rides great in the car. She plays well with other big dogs (she was introduced to 6 at one time and did fine) and probably little dogs. She was introduced to a few smaller dogs when at the shelter and she was fine. She appears to be housetrained. She walks ok on a leash (pulls a little, knows sit, down and give me paw. She is very sweet.

Beth Chamberlain, 408-859-3101 - [b.d.c@comcast.net](mailto:b.d.c@comcast.net)

Holly was just pulled from San Jose ACS. She was found as a stray with another younger siberian. She is very sweet and loves to cuddle. She just wants to love and be loved back. Holly is easygoing and likes to hang out with the family. She is even tolerant with the cats in my household. Is working on basic obedience. She is a dog that will come out of her shell as she becomes secure in the home that she is in.

Andy Stricker [striggi@gmail.com](mailto:striggi@gmail.com)

Muneca (span darling, doll) came from San Jose Shelter. The family that had adopted her 3 years before would not reclaim. She is a great dog with people and has lots of energy that wants to be taken care of. She walks well on a leash. With other dogs she is playful but does not do well with dominate dogs. She needs to loose some weight but it will be easy with how she loves to walk. She will make a great companion to a family with NO small children that has experience with Huskies and wants to love and take care of her again
