# Annual BASH Holiday Party

As always we had a blast. We had 58 people show up. The silent auction was a great success as was the raffle.

The gift stealing was also fun. The second to last steal ended up being 9 steals....

We will be renting the Tamarrack Pines as a group again this year. At the Pines you can not have dogs in the rooms. Rooms range from \$200 to \$500 for the two nights. There are 4 rooms. We believe that they are already taken by the core group that sets up. We will make a wait list if you are interested. The parking lot is small so you must be able to drop your dogs off your vehicle. There is room for tie-outs where we sled from but not in the parking lot.

For those that want dogs in their room or can't drop off the car, there are places to stay in Arnold, Dorrington and Angels camp. Which are 30-45 minutes drives from where we are.

No reservations will be taken before Jan 2013.

Bear was an owner surrender to the Santa Cruz Shelter because the owners didn't have a fence and he decided to check out the neighbors chickens.

We will know more about him in the next day or two. When he was surrendered they were told he lived with a small child (that layed on the dog when they brought him in) lived with other dogs and is just very sweet.

He rides great in the car, has some basic obedience skills and just seems like a nice sweet boy.

Meet Sarah! She is a sweet girl looking for a lifetime of love. She was adopted from us 4 years ago and has just been returned to us because her owner became ill to care for her. At first she can be a little shy, but warm up rather quickly with tender love and care. She really enjoys giving kisses, and will shower your face with kisses if you let her. She tends to be very low key and like to hang out nearby. She would do best as a companion dog to another friendly dog, preferably a male (she may conflict with an alpha female). She is not super playful and would not do well with a rambunctious playful companion, but will do best with an active male dog. She knows sit and down and walks well on a leash. She enjoys being brushed! If you are looking for a sweet, affectionate girl, then please come and meet her.

Nikita is a 18 month to 2 year old, 60 pound, spay, female Malamute. She looks and acts more like an Alaskan Malamute than a Siberian Husky. She is just small for an Alaskan Malamute. She has a dominant personality and needs to be in a home with strong yet gentle leadership. If you are inconsistent in training she will attempt to take over running the household. Nikita would do best in a home alone or with a laid back male dog who will let her run the show. She does want to chase gophers so I would not house her with cats or small animals. She would be happy with someone who would run or bicycle with her. Nikita is crate trained and housebroken. She walks well on a leash and is obedience trained and knows some tricks. She is smart and a quick study. She is good with children but because of her pushy personality 12 or older please.

Hope is a 1 year old petite young female husky. She loves playing with other dogs and is very loving. She does have high prey drive so no cats, small dogs, or birds. You need to be husky savvy. Hope is still working on her house trainings, she is crate trained and good with children. She knows her basic commands and does pull on her lead. Hope is a special girl that is looking for a special family. If you would like more information on hope please either give me a call at 831-261-5889 or email at [brndy1233@gmail.com](mailto:brndy1233@gmail.com)
