Northern Breed Fun Match

It was a fantastic day and we had great fun. The weather was nice, not too hot, not too windy but comfortable. We had 2/3 of the dogs entered the day of. Many because they saw how much fun people were having with Karen Ramstead. She worked with everyone. She knew that most hadn't done this before but were very proud to show their dogs. We had 3 Samoyed, 2 Alaskan Malamute, 26 Siberians, 20 sled dogs, and 2 basenjis (they also had Siberians but wanted to practice with these two and sled dog is open to all that pay)

The winner of the Show was Kelly Collins with Piper.... Bill Griffiths had the top Malamute with Rythym.

The Raffle brought in over \$800 and the silent auction brought in over \$1000...there was a bidding war on Marie Stevens Wolf in the Windows quilt.....it was great.

This year Norsled did lunch but changed it up with ordering Togo's. which worked out great.

Watch for this event again next year on Father's day. We are considering bringing back Karen again because people had sooo much fun.

Umunhum Run and Camping

July 27,28

August 10-11 (changed date)

Oct 5-6 (changed date)

This is TENTATIVE...can change from weather, Fire or schedules (like Baseball) that cause us to change the date.

We meet around 5 pm on Saturday night and if the weather allows, we run the dogs between 7 and 9 pm. If it is warm we eat dinner first and then run them. They run from 1 mile to 7 miles, again it is based on the weather... Dinner is a group effort.

Some people then camp in tents but most campout in their cars or beside them.

In the morning we rise with the sun and run the dogs again. We try different dogs in different positions and come back to a GREAT group breakfast and off the hill by 11 am.... You still have time to do things before the end of the weekend.

Time to meet- 5 pm at the lowest gate (there are three locked gates so we have to stay together)

RSVP Randee at (408) 371-1841 or bash@com-ctl.com by the WEDNESDAY before the weekend to find out what to bring and for how many.

What you need to bring- your own drinks, sleeping bag, food for your dog and food for dinner and or breakfast

Northern California Sled Dog Rescue (NorSled) is an all-volunteer non-profit group dedicated to rescuing, rehabilitating and finding new homes for unwanted, abused and abandoned Siberian Huskies, Alaskan Malamutes, Samoyeds, and Northern-breed mixes in many Northern California counties. NorSled regularly rescues both healthy AND injured or ill dogs from shelters. We nurse them and get them the veterinary care they need while finding them homes. In recent times we have treated dogs for conditions ranging from torn knee ligaments, heartworm and hookworm, to broken bones and gunshot wounds.

Serving the Bay Area & Northern California

Patty LaCava 415-722-5727 pattylacava@yahoo.com

Harry Potter is a sweet and loving 7 month old piebald Siberian Husky. He is presently 40 pounds and will grow to be a 55 pound dog. Harry is crate trained but not house-broken. He is afraid to go through a door into the house and most likely was a back-yard dog. He should be easy to house train as he is fine in a crate. Harry has not had any basic training but is smart and food motivated, he will be easy to train. He does not pull when walking on a leash. He is fine with all sizes of dogs. I do not know about cats. He is good with children but is mouthy.

Dibbs is a wonderful and lovely dog. As our foster home learns more about him we will post more. He gets along well with other dog (there are three in the foster home) and rides well in a car. He is well trained, walks great on a leash and has the ability and intelligence to figure out a latch to go and see who he wants to see. So a lock on a gate is a must.

Bill Otto 408-258-9806 billotto1412@aol.com

Shadow came to us from San Jose Shelter. he was an owner surrender and the family did not have time for him. He was an outdoor only dog. He had fly strike on his ears and is really shy around other people. He is housetrained and loves to go for walks around the neighborhood. He is gentle and good with other large dogs. He needs some TLC and patients but will make a great companion for someone.

America's Biggest Free Pet Adoption Event

From Maddie's Fund we raised \$17,000.00 for rescue to use on our rescues and foster homes. We hope to participate again next year

We are using some of the funds to buy crates, beds, brushes, toys, donut e-collars and more for foster homes. Most of us use things found at garage sales and donated from other people..... so usually there is something wrong with it...but they work. This way the foster homes get to start out with whole crates and beds without holes....

We also purchased t-shirts for all of those helping rescue.
