Northern Breed Fun Match

The weather was great...not too hot, not cold and not too windy. Kelly Collins was our judge. We not only did conformation but also had fun with members doing Brace (running two dogs that are similar together at the same time) and Team which is running 4 dogs that look similar at the same time (they were 11 week old puppies...it was funny)

Umunhum Runs

Here is a tentative schedule...things can always make it change.

First Camping We meet about 5 pm at the brown gate. There are only 2 gates now to go through. I will post what food to bring for the group. You can camp in tents, outside or in cars. There is plenty of water and a porta potty ¼ mile away. It is great fun.

Husky Hikes

Many possible sites to hike were talked about at the meeting.

Marie is going to check some of them out and see what might work for our group.

If you have an idea for an area to hike (especially a beach one) Please drop Marie an email at

SLEDDINGSHOPPER@pacbell.net.

Marie doesn't have time with her still working to find a place to hike. If you have a great place to hike, get all the info to hike there (time, location, directions) and Marie can give you the info to organize the hike.

Maddie's Fund

has been a fantastic help to BASH and our rescue efforts. We have always done well with fundraising, but the additional funds that we have from Maddie's Fund has allowed us to also offer one private training lesson from a recommended training the the adoptors area. It also allowed us to save a few dogs through boarding until a foster home opened up.

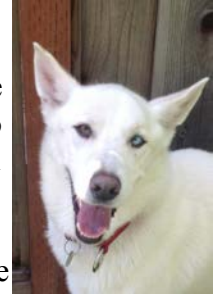

We participated with Maddie's Fund and placed 14 dogs and have asked for \$13,500 back for adoption fees.

Thank you Maddie's Fund.

Olaf is a young adult male husky mix. He is a sweet boy that when the right family comes along you will both know it. He is best met at the foster home and not at an adoption fair. He walks well on a leash. He knows sit and we are working on more. We think he will fine as a single dog if there is someone home most of the time or will be ok with another dog to keep him company. He enjoys cuddling and hanging out with the family. He has done well with medium to large dogs he has meet. He investigates the cat in the house but he doesn't bother her, you can call him away. If someone will work with him, he should be ok with a cat that doesn't run. He has a sweet, happy personality that is evident after he warms up. He will do very well with gentle, patient guardian.

Colby is an incredibly sweet and gentle soul and loves people and dogs of all sizes. She rides well in the car. She loves to follow people around. She is spayed, very healthy and has many years ahead of her as a loyal companion....hopefully yours. Please give this wonderful girl a chance, she can't wait to meet you.

Hello! My foster family named me Snickerdoodle, Snickers for short! I am still very young and filling into my paws and long legs. I am a creme/gold Siberian Husky with one golden eye and one blue eye. I am happy, exuberant, and get along well with large dogs. I want to play a lot and need a new family that loves to run, bike, and spend a lot of time on the move! I am good with all children, but will need to learn better doggie manners to contain my excitement. I have been very gentle with my foster mom's toddler though. I need obedience training and a good "alpha" to follow. I am crate and kennel trained and ready for my new forever home! Come meet me and let's share our love!

Is your ideal forever friend happy, easy going, compact and ready to go where ever you lead? Come meet me! I'm Nimbus and I am travel sized for your convenience! I am a petite boy of 12 months old weighing in at 30 pounds. I like to play ball (and return it), am wonderful with small children and all dogs. When I am at the dog park I'm a little unsure and hesitant, but I warm right up. But I don't have that problem with all the peoples! "Peoples" are my favorite! I am house trained, crate trained, don't dig, and will make the perfect companion for that family that may want to take me to work, go hiking and go for those long jogs that I love so much! I look forward to meeting you!
