## Coconut-Honey Doggie Cake

**Yield:** 1 small cake

**Prep:** 15 minutes

**Cook:** 15 minutes

**Total:** 35 minutes

An easy doggie cake made with only a handful of ingredients and perfect for celebrating your pup's birthday!

### Ingredients:

- 3 tablespoons refined coconut oil, melted
- 2 tablespoons honey
- 3 eggs
- 1¾ cup (248 grams) all-purpose flour
- Yogurt, for frosting

### Directions:

1. Preheat oven to 350 degrees F. Grease two 7-ounce ramekins; set aside.
2. In a medium bowl, whisk together the melted coconut oil, honey and eggs. Stir in the flour until totally absorbed.
3. Divide the batter between the two ramekins and baked until lightly browned and firm when pressed in the center, 15 to 20 minutes.
4. Cool in the ramekins, then remove them and fill and frost with plain yogurt. Serve!

### Recipe Notes:

Note: The original recipe called for almond flour, which would be healthier for your pup, but I avoid baking with nut products at home with Joseph. So feel free to substitute almond flour for the all-purpose flour if you'd like! No need to adjust anything else.

Nic Matulich [northerndreamz@earthlink.net](mailto:northerndreamz@earthlink.net)

Max is a two yearl siberian that walks very well on a leash. He was an original owner surrender to the shelter and the first family that adopted him from them didn't work out so I decided i was going to work with him and find him a new home. He knows the basic commands of sit and down. He gets along with other dogs both large and small. He is smart and has figured out how to manipulate people. Given the right training it will work to all's advantage. He is a fun dog.

Karen Fenton [fendrag1970@yahoo.com](mailto:fendrag1970@yahoo.com)

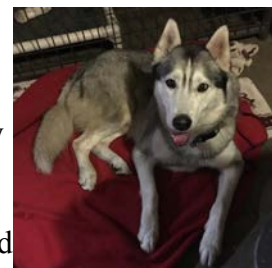

My name is Spock and I love warm hugs! I am an 18 month old, playful, happy boy. I can't wait to meet my forever home! I love to play ball with you and share my love of brushing and ear rubs. I like squeaky balls and am good with kids. My foster home has a 1 year old and a 5 year old. My five year old human buddy likes to throw balls for me to chase. My favorite thing is laying on my humans and leaning on them for scratches and love.

I am good in a crate, but am not an escape artist so I am content also in a secure yard with my doggie companions while my humans are at work. I'm just now learning "sit." My ideal forever home would have time for walks and long talks (all about how gorgeous I am of course). I would prefer to have a large doggie friend to hang out with and play with, but I am ok as a solo explorer too.

Michelle Suarez [michelle.suarez@hssv.org](mailto:michelle.suarez@hssv.org)

My name is Kai. I was born 5/9/11. I LOVE kids. Once i get to know you or you feed me a snack, I am your friend. I am uncomfortable around other dogs but not aggressive. I am really smart. I don't like to get spanked but if you yell at me I get very sad and will listen. I don't dig! I am house broken! I stay in the yard until told otherwise. I love to run around the yard really fast. My favorite treat right now is Pgs ears which i call Piggys. He likes to jump up and give kisses every now and then but is just happy laying nearby

My foster mom thinks i would love to have a home where i can hang out with my new owner both at home and work or someone who works from home.
