# Foster a Dog and Be a Hero! – By Heron Ho

Are you ready to make a life-saving difference? Open your heart and home to a foster dog and directly contribute to saving their precious life. Fostering is a crucial step that helps shelters and rescues create space for more animals in need, preventing overcrowding and reducing the likelihood of euthanasia.

But what's so great about fostering? Let us tell you:

🌟 **Temporary Commitment:** Experience the joys of having a furry companion without the lifelong responsibility. Fostering offers flexibility, making it perfect for those who may not be ready for a permanent pet or have uncertain living situations. It's a win-win situation!

🌟 **Compatibility Check:** Foster care allows you to assess the compatibility between the foster dog and your household. Test the waters and see if their personality, energy level, and needs align well with your lifestyle before making a long-term commitment. It's like finding your perfect match!

🌟 **Socialization and Training:** Help foster dogs become well-rounded, confident companions. Through socialization and training, you'll provide them with invaluable skills and increase their chances of finding their forever homes. Show them the world, one wagging tail at a time!

🌟 **Healing and Rehabilitation:** Be a part of a dog's incredible journey to recovery. Your loving and nurturing home environment can make a world of difference, aiding their physical and emotional healing. Witness their transformation firsthand!

🌟 **Support and Resources:** When you foster, you're not alone. Rescue organizations and shelters provide vital support, covering veterinary expenses, necessary supplies, and offering guidance and training resources. We're here to support you every step of the way!

🌟 **Make a Lasting Impact:** By fostering, you have the power to change a homeless dog's life. Your safe and loving environment gives them a chance to thrive, grow, and eventually find their forever homes. You'll be a true superhero in their eyes!

Remember, fostering a dog requires time, dedication, and love. But we guarantee it's a rewarding experience that will bring immeasurable joy to both the foster dog and your own life. Together, let's make tails wag and hearts soar!

Ready to embark on this incredible journey? Contact us today to become a foster and let's save lives, one wagging tail at a time!

## Watermelon and Yogurt Frozen Dog Treats (Pupsicles)

These treats are just those two ingredients, pureed watermelon and yogurt, frozen together. The end. I used an immersion blender to puree my watermelon. You can use a blender or a food processor, or if you're feeling real lazy, you can skip the pureeing and just mash the heck out of it with a potato masher—it won't be completely smooth but your dog's not going to care.

Pour into a mold and freeze..

Meet **Ray**! a handsome 58lb male husky that loves to play with dogs and be with people! He is so sweet and affectionate, playful and has a big personality, and is able to stay home loose in the house with his husky brother and sister. He loves going on walks but is also perfectly fine with lounging with you on the couch! He learns his manners very well from older dogs and loves to play with any dog that is willing to play! He has a very easy-going attitude towards dogs! He is happy to just lounge around in the house with you chilling on the couch or go on an adventure! He is just a happy and sweet boy that has so much love joy to give!

Hello, my name is **Milo**. I am a 16 week old Husky. I am about 25 lbs and a playful, energetic, puppy, but love to cuddle up with someone during my naps. I am doing well house training (a few accidents), but will try to let you know I need out. (Crying and training to ring a bell/make noise). I am sleeping through the night but do sleep on the bed with my foster parents. (I do like dog beds.) I am crate trained and doing well to be left alone for a few hours. My foster home has several other dogs I play with and keep me busy. I'll need lots of toys, interaction and playtime.

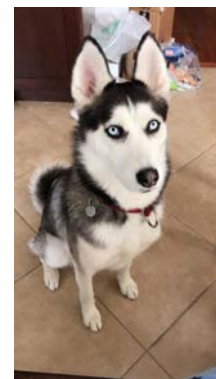

Introducing Miss Shelly the Husky ! **Shelly** is the most lovable of all fluff-ness and gives the sweetest of tiny kisses. She jumps with delight for walks on cool summer evenings and loves the wind in her face on car rides around town. Miss Shelly is a lady of few words, but will voice her passions when something stirs her soul. Shelly will appreciate your patience in allowing her time to gain your trust, but once it's been earned then she be your most devoted companion and will share her heart openly. Shelly arrived to our foster home in late March, 2022. It takes a bit of time for Shelly to ease her anxiety & feel comfortable with new sights, sounds & friends but as each day passes she becomes more confident in new environments and her new mobility has opened up a whole new world of playful fun.

**Cookie!** Don't you need a Cookie?

Cookie is the sweetest delight you and your family could have in your life. She is approximately 6 years old with gentle manners and a dance in her groove. Cookie is a small, blue eyed black and white Siberian Husky girl with a huge personality. Sadly with changes in home, life and time to spend with her, her family has not been able to give her the life, time and exercise she needs to be the happiest Cookie. They love her and want her very best life for her. We are looking to find that adoptive family that loves to go for walks or on trails, might enjoy learning the fun sport of scootering and time for gentle kisses every day. But if you are looking for that Tik Tok doggo that sings; she's not the one- Cookie is one of those Siberians that barely talks or howls at all. But one Siberian trait she DOES have is she is an escape artist; and open door is an invitation for her to go meet all of your neighbors. Alone with no buddies in the yard- no problem, she will go out to meet some. She LOVES new friends! The old saying is true- a bored husky is a mischievous husky. She loves children of all ages and has been there for the birth of two tiny humans and played with many toddlers. She is trained to pull in Canicross/Scooter/and Sledding. She's a smart cookie! She's house and crate trained and ADORES sitting on the back of the couch behind your shoulders looking out the window. We tease her that she's a cat-dog.

We ADORE her and know you will too- contact us if you think you can give this special girl the finest days.
