SnoBASH 2 March 25, 26, 27

We will again be staying at the Tamarack Pines Inn. If you would like to reserve a room, contact Randee at bash@com-ctl.com or 408-377-2900. Rooms are from \$250 to \$350.00 for two nights. We have the first and second floor. Separate groups have the third floor. Some share rooms. For those that want to join us but not stay at the inn, there are great places in Angels Camp, Arnold, Dorrington and Bear Valley. Some will allow dogs in the room, and some do not, you need to call. Those of us at the Pines leave our dogs in the car. We had a great time at the Inn last year. All those that attend will be expected to bring “group” food (breakfast, appetizers and dinner) and will be given “jobs” to do (dinner, lunch, cleanup, setting lines up, etc). Anyone is welcome to the group dinner on Saturday night. We just need to know if you are planning on attending Saturday night so we have enough. When all have signed up we will have a list of items to bring. By having everyone bring parts we can spread out what is needed to be brought up. SnoBASH is held no matter the amount of snow. The weather will change the schedule.

Sabrina is a sweet 2 year old siberian (could have some malamute) who rides great in the car. She plays well with other big dogs (she was introduced to 6 at one time and did fine) and probably little dogs. She was introduced to a few smaller dogs when at the shelter and she was fine. She appears to be housetrained. She walks ok on a leash (pulls a little, knows sit, down and give me paw. She is very sweet. Call for more information about her. She is being fostered in the Monterey area.

Coffee is a handsome 1y 5m old male with stunning eyes one blue and other brown and blue . He is a Big woolly teddybear that just wants Love and lots of attention. He gets along with big and medium dogs. He knows how to give his paw, lay down, and sit but could use more training. Coffee loves to play and he does love squeek toys as his all time favorite. He will give you tons of kisses. He does not pull on his leash. He doesn't appear to be a digger. He does not get along with small dogs . He is learning that going for a ride should be fun not an fearful situation.

We have one other boy that we just got from Santa Cruz. He has Glaucoma so we had to remove his eye. He is a sweet boy, Check the website to see him when he is available. He is one + and has a great personality.
