Rescue May 2012

Serving the Bay Area & Northern California

Beth Chamberlain 408-859-3101 b.d.c@comcast.net

Gwen is about 1 year old to 18 months, white Siberian Husky. Gwen is a beautiful high-energy white Siberian Husky. She is so sweet and gentle. She is great with kids and would love to have her tummy rubbed for hours if someone would. She is very gentle when taking treats. She is looking for an active home with husky/large breed experience. Gwen is very athletic and prefers to be outdoors walking, playing and exploring. She enjoys being around people and giving kisses, but would also make an excellent companion for another active dog (best with males, no small dogs or cats).

Randy Fishel randyf@sibernet.com

Azul is a happy boy despite his unfortunate situation. He likes other dogs and plays great with other siberians. He was raised with small children, so he is use to being around them., He is not good with small dogs and other small animals. He is a quick learner, but is a challenging escape artist, so should only go to an experienced Husky home. We think he would do better in a home with at least one other dog in the family, and tall fences.
