This fun match is for all, not just those that do confirmation. You don't have to know what to do either. This is a match for those that show to practice and the rest of us just to have fun with our dogs.

For those that have AKC registered Siberian Huskies, Alaskan Malamutes and Samoyeds, they will enter conformation.

All of those that look purebred Siberian, Malamute or Samoyed that have been rescued or acquired without papers but have been altered, can enter Conformation Spay/neuter for that breed.

Sled Dog- Sib, Sammy, Mal, and all those in between can enter Sled Dog. All of those that have taken our wonderful mixes....enter Sled Dog

There are classes for puppies, adults, veterans and champions. We will be happy to help you with which to enter..

You don't have to know what you are doing, nor does your dog. This is an event that is meant to be fun and expose all of us to having more fun.

Traveling North on I-680 you would need to exit at Stone Valley East and turn right at the stop sign. The park will be on your right hand side about 1.5 miles down the road.

Traveling South on I-680 you would need to take the Stone Valley Road EAST exit. The park will be on your right hand side about 1.5 miles down the road.

It is located next to Monte Vista High School and you may park in the school parking lot.

New sweatshirts that are embroidered.... I am going to get prices on doing shirts with BASH on them. The MUSH one has fabric inside the lettering and I think that would be great. My guess is that they will be between \$30 and \$40 if we got hoodies.... Watch Next month for more info and hopefully ordering information.

Aspen is a 1yr old male Siberian husky. He is very loving, and loves to play. He is a very active boy that loves going for runs and walks. He is semi crate trained. He is ok in a crate but needs to be more confident about the crate. He is housetrained. He loves kids and is a very social husky! Aspen walks great on lead. A person with dog experience, preferable experience with Northern Breed dogs would be good. If you are looking for a loving, loyal and cuddly husky then aspen is the one for you.

Patty LaCava 415-722-5727 pattylacava@yahoo.com

Harry Potter is a sweet and loving 7 month old piebald Siberian Husky. He is presently 40 pounds and will grow to be a 55 pound dog. Harry is crate trained but not house-broken. He is afraid to go through a door into the house and most likely was a back-yard dog. He should be easy to house train as he is fine in a crate. Harry has not had any basic training but is smart and food motivated, he will be easy to train. He does not pull when walking on a leash. He is fine with all sizes of dogs. I do not know about cats. He is good with children but is mouthy.

Beth Chamberlain 408-859-3101 b.d.c@comcast.net

Howie is a young and energetic sixty pound two and a half year old male Siberian, who enjoys going for walks and playing with people and other dogs. He is friendly and gentle. He has been in a household with children as young as four. He is looking for a family that wants to include him in their active lives. He has basic obedience, but could use a little more work on household manners, especially learning not to counter-surf. But he is willing to please and with guidance will probably learn quickly what is expected
