# SnoBASH- we actually had it.

The biggest thanks go to Heron Ho for being the organizer of the days event. Thanks also to Marie and Greg Stevens, Wayne Nielson and Patty LaCava for taking equipment up. Thanks to all the members for giving rides (Marie, Patty, Richard, Kim, Wayne, Brian, Karen- sorry if I missed others) We charged a fee for the day to cover the costs of grooming (still waiting for a couple to pay). I did as much before work as I could since I was unable to attend the event ☹.

I am writing about what I heard happened. Overall the weather was fantastic...in the mid 50s...so the snow got slushy by the afternoon. There were over 38 dogs, 6 sleds (adult and a kids sled) and all the people that went with it. Heron had a great idea that everyone had to attend an orientation at the beginning to avoid people wandering in at different times. She also had everyone note if their dog had problems with people touching them they got a yellow ribbon on their collar. Many little kids were able to be pulled on the kids sled with one dog...the favorites from Steam Boatt and Russia being pullers.

Thanks to everyone that helped and participated.

# Rescue February 2017

Davy Crockett would love to explore the world with a special companion. Could that be you? Davy was found wandering alone on the border of San Francisco and Daly City. He is shy and standoffish at first but quickly warms up to loving people. At a year old Davy will need exercise. He has a beautiful gait that that will eat up the miles as he explores the city or country with you. Davy is house broken and walks well on a leash. He will sit for treats. He will do best with another dog companion in the home. He loves being petted and just being with a family.. Please check out the web site; Openpaw.org for advice on the first two weeks with your new dog.

Brooke is a bright, high energy girl! She loves playing with other dogs, training for treats, gopher hunting, running, and fetching. She has learned cues quickly in training. She is ALWAYS up for an adventure! If you want a dog with the energy to keep up with you, she's your girl!

Nic Matulich [northerndreamz@earthlink.net](mailto:northerndreamz@earthlink.net)

Max is a two yearl siberian that walks very well on a leash. He was an original owner surrender to the shelter and the first family that adopted him from them didn't work out so I decided i was going to work with him and find him a new home. He knows the basic commands of sit and down. He gets along with other dogs both large and small. He is smart and has figured out how to manipulate people. Given the right training it will work to all's advantage. He is a fun dog.

## 3-Ingredient Chicken Dog Biscuits- Author: Judith Hannemann

Serves: 12

Ingredients

- 1¼ cup flour (not white, but any other kind you want. I used whole wheat)
- 3 tbs oil
- ⅓ cup chicken broth/stock

Instructions

1. Preheat oven to 350 degrees F. Line a baking sheet with parchment.
2. Mix all ingredients in a bowl. You may have to add a bit more stock to get a rollable consistency.
3. Turn out on lightly floured surface and roll to ⅛-inch thickness.
4. Cut into desired shapes and place on prepared sheet.
5. Bake 15-20 minutes.
6. To dry out the biscuits for longer shelf life, turn off the oven but don't remove the sheet of biscuits. Keep them in there until the oven completely cools.
7. I got 1 dozen medium (3-inch length) yield.
