I am Dory. Hi! My name is Dory! I am about 2 years old but My foster parents think I act younger. I have the prettiest blue eyes and everybody say I am oh so soft!! I love cuddling with everybody in my foster family so my super soft fur makes me extra cuddly. My foster family says I am super sweet, smart, and curious. I already know a lot I am treat motivated and I love learning and I'm still learning! I am able to focus and listen to basic obedience in high distraction environment. During a recent outing when t he adults are talking I was such a good girl and just played with my toy laying down while they talked. I love being around other dogs and my favorite thing is to play! I get along with lots of doggie friends and I also love people!! Every time I meet someone, If they want to say hello to me, I

say hello back with kisses. True to my name, my absolute favorite entertainment is playing with water and swimming! just keep swimming, just keep swimming, swimming swimming.....

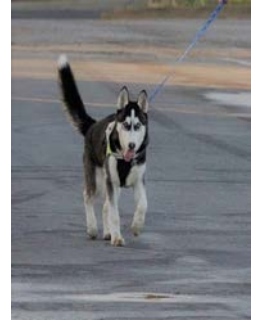

Hello! I'm Buddy. My foster family also calls me Dennis. You know, that little guy from Hotel Transylvania? When I first got to my foster home I would say a friendly hello and play with the humans with my puppy teeth. And was so clumsy but tough. I've gotten a lot better with playing with the toys and not human hands, but the nickname stuck.

I love to be with other dogs and my favorite is to chase them (it's a little scary still if they try to chase me). And at home with just my foster brother I have fun rough housing, too. I would love another dog in my forever home to play with and help give me confidence. And a backyard or a place to run, as I'm a big fan of running around. I LOVE toys I can shake and balls I can roll and chase. I love people, dogs and children!

I am a good eater, and I love meal time. I LOVE training when you have treats!

I am mostly house trained. And I am doing great with the routine of the times of day for naps to let the human work, and when it's time to play. Walks are my favorite, and I get so excited sometimes I jump straight up in the air when trying to get my harness and leash on.

I got really sick when I was younger, before I came to the rescue. Because of this I have some trouble seeing things when they get close to me, I'm clumsy sometimes, and I do get mild seizures. For the seizures, I usually only have one every other day. It makes me tired for a bit after, but I don't let it stop me from playing the rest of the day.
