Calendar- over the years we have always done a calendar with pictures of our Siberians. We sell it at our cost and have it printed through Shutterfly. We had gotten a 8 x 10 calendar (we know many younger people only use electronic ones now) but some of us still like that calendar to write on.

If you are interested in a calendar (cost is usually around \$20 with shipping) and want to send your dogs picture in to be in it.... Email pictures to BASH@com-ctl.com.

I need the pictures by November 20th or so to make the calendar and send it out.

One gift per family for “stealing” gift exchange. Value up to \$30. You are welcome to bring one per family member if you enjoy the “stealing”. Kids can participate if they are old enough to handle the stealing of gifts. There is alcohol in some of the gifts so the “adult” must be responsible for that Gift if someone under 21 got it. Stealing is fun and the more unique the gift, the more it is stolen. Some great items of the years have been any things with a husky on it (underwear, hats, gloves, shoes) dog items that are unique, signs, door mats etc... you don't have to spend the \$30...be inventive. Have fun finding the items. Many do not drink alcohol...

We have the room reserved for 50...so send in your reservation early.. No day of sales unless you contact Randee to see if there are spaces left . Two years ago we were a little tight on space and have asked them to spread us out more in the two rooms. As of this printing we are the only reservation they have for that day.

All health requirements are adhered to at 3Flames.

NAIL Trimming

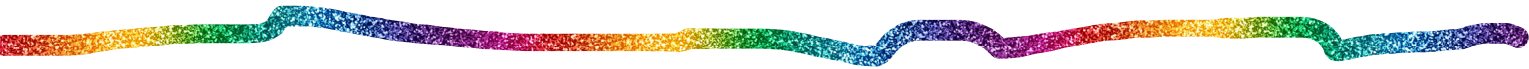

I just met a wonderful vet tech who does dog and cat nail trimming. She usually only works in Almaden Valley area but has agreed to do "nail trimming at my office in Campbell on a Saturday or Sunday afternoon.

She charges \$10 per dog. She prefers to do them in the comfort of their home but it is not cost affective for her to drive all over the valley.

If you might be interested in signing up for an afternoon, please email me and I will then work on a date for it to happen.

We would do all dogs inside of my office.

- Board Reports:
- President: no report
- Vice President: no report
- Secretary: No report
- Activities- can't do the Ice Cream Social. Gretta was great and got us a list of old hiking places which were published last month in the newsletter. The Christmas Party is a go
- Treasurer/ Rescue Report- We have over \$16,000 and doing ok financially. Rescue has kept on going. We have spent a little more on medical than we bring in through adoption fees but it is not having a great impact on the balance of the account. Would like to thank Heron Ho for continuing to be a coordinator for finding fosters that we sponsor and help. We do not have many foster homes to take all the dogs in that need rescue.

Old Business:

- Website- still planning on reworking with with Angela Kwan...We are going to make it more mobile friendly.
- Shirt Fundraiser- We need ideas- Do we want to do a "winter" idea or Christmas? Something with sibeirans on it...what would people like? We have a company to work with that we can get a large variety of styles of shirts and sweatshirts to choose from.

New Business:

- Christmas Party at 3 Flames- December 5- We will send out information in the November Newsletter at the latest. We will have a raffle, silent auction . We had planned on a Buffet but will check to see if we still can or will need to do specific meals.
- Ideas for things to do???

Next Meeting? November 20th

Rescues November 2021

Karen Fenton

fendragt1970@yahoo.com

Meet LeeLoo! Can I trust you? Will you be my best friend, confidant, and save me too? I am so scared but I want love and need your help. Rescue me. Stand by me.

LeeLoo is a black and white, bi-eyed, young female Siberian Husky about 18 months old. She came into the rescue traumatized, terrified and starving. After some weeks in foster care, encouraging her to trust again, she is ready for adoption to the right rescue experienced person or family. We request no applicants with very young children, cats, or pocket pets. She has done well with elementary aged children and up and enjoys playing ball with them.

LeeLoo is a delight to walk on leash and absolutely ADORES going for walks and trots. She is highly responsive to voice commands and could become an excellent Canicross or mushing partner. She also seeks praise and positive responses in running, working on recall, and daily household activities. She is very very affectionate once she knows you and trusts you; very timid until that point. She does not initially meet well due to how shy she is with new people. But she doesn't take too long to warm up. Her foster family has been working with her using positive reinforcement and treat motivation.

She does well with other, laid back, dogs if she is slowly introduced and given several days to adjust to her new place and order in the group. She does not do well in dog parks yet due to her need to learn trust, but she is a breeze on leash in human parks. She cannot be loose, off leash, unsupervised. She is completely house trained and happily crate trained and is perfectly at ease inside for hours or in a large kennel during the day.

LeeLoo's perfect forever home is rescue experienced and willing to give her blossom the sunshine it needs to grow. They will also have a firm commitment to continue to guide/train her while she learns her new environment.

Please open your hearts and home to this beautiful, amazing, special, loving girl. She will melt your heart, just give her the time and will have the key.
