One gift per family for “stealing” gift exchange. Value up to \$30. You are welcome to bring one per family member if you enjoy the “stealing”. Kids can participate if they are old enough to handle the stealing of gifts. There is alcohol in some of the gifts so the “adult” must be responsible for that Gift if someone under 21 got it. Stealing is fun and the more unique the gift, the more it is stolen. Some great items of the years have been any things with a husky on it (underwear, hats, gloves, shoes) dog items that are unique, signs, door mats etc... you don't have to spend the \$30...be inventive. Have fun finding the items. Many do not drink alcohol...

We tried to find a place to rent, but for under 50 we couldn't do it so we will go back to the "old ways" and hold our Christmas Party at a home of a member. We will have it catered by Whole Foods.

Meet **Ray**! a handsome 58lb male husky that loves to play with dogs and be with people! He is so sweet and affectionate, playful and has a big personality, and is able to stay home loose in the house with his husky brother and sister. He loves going on walks but is also perfectly fine with lounging with you on the couch! He learns his manners very well from older dogs and loves to play with any dog that is willing to play! He has a very easy-going attitude towards dogs! He is happy to just lounge around in the house with you chilling on the couch or go on an adventure! He is just a happy and sweet boy that has so much love joy to give!

Introducing Miss Shelly the Husky ! **Shelly** is the most lovable of all fluff-ness and gives the sweetest of tiny kisses. She jumps with delight for walks on cool summer evenings and loves the wind in her face on car rides around town. Miss Shelly is a lady of few words, but will voice her passions when something stirs her soul. Shelly will appreciate your patience in allowing her time to gain your trust, but once it's been earned then she be your most devoted companion and will share her heart openly. Shelly arrived to our foster home in late March, 2022. It takes a bit of time for Shelly to ease her anxiety & feel comfortable with new sights, sounds & friends but as each day passes she becomes more confident in new environments and her new mobility has opened up a whole new world of playful fun.

Kaimi, pronounced as Kah-ee-mee, is an 8 month old Siberian female. She is an exceptional pup both intelligent and intuitive. She is all about personality--and is cute, too. Kaimi was on a career track to become a guide dog, but her eye exam reveals that she has a visual impairment herself. Kaimi is well adapted to her visual impairment, and it is mostly not noticeable at this time. She is an active adolescent pup who loves to play. Kaimi has good leash and obedience skills, and is crate trained. She plays great with other dogs Kaimi is highly social, and would rather have attention from people than play with toys. Kaimi loves to walk, and she loves to play--often for hours, with another dog. She will need a canine companion who is active in order to have a successful adjustment to a new home. The name Kaimi means "the Seeker" in Hawaiian. She has a curiosity that has no limits. She loves water, and is still trying to understand just how to turn on that outside faucet. better leash training and to settle in the car, but am eager to learn and love with you!
