BASH puts on several events each year and is always in need of volunteers to help in many areas such as the transportation of equipment to and from the sites, assistance with set-up and/or tear-down of equipment, food preparation, extra people to man the BASH booth and we ALWAYS need people willing to learn how to steward and assist in this function. If you are willing to help in any of these functions, or are privy to any services that might be of use to us, please let us know below.
